About us

A large circular graphic on the left side of the page. It has a yellow outer ring and a purple inner ring. Inside the purple ring is a dark grey background with several colorful sneakers (white, black, orange, and grey) and a pair of white high-heeled pumps. Small colorful beads are scattered around the shoes. Purple paw prints are visible at the bottom of the circle.

Footwear is an item of clothing made by humans that covers and protects the foot, including the soles of the feet. Footwear allows people to walk on rough surfaces such as gravel roads without hurting their feet. With retail locations across California, and our online store shipping across the country, Footwear etc. is a premier destination for the best footwear brands. Every distributor gets 1 Rs of the company's sales without any referral. You can increase the scope of your income up to 50 lakhs, this is the sales power
